Architectural drawing of a typical exam room (TYP EXAM WITH WINDOW) showing a plan view with various dimensions and construction details:

- Dimensions:** The room is 6' wide by 10' deep. A window is located on the left wall at a height of 3'-10" from the floor.
- TV Box:** A TV box is mounted on the back wall, 1'-0" above the top edge of the base. Its depth is 6".
- Base:** The base is 3"-9" high. It features a central support column with a height of 4" and side supports of 4" each.
- Walls:** The left wall has a height of 6' and contains a window. The right wall has a height of 6' and includes a base. The top edge of the base is labeled "EQ".
- Furniture:** Furniture is mounted on the left wall, with a height of 6' and a base height of 3"-9".
- Brackets:** TV brackets are shown on the back wall, with a height of 6".
- Protection:** Wall protection is indicated on the right wall, with a height of 6'.
- Annotations:** Arrows point to specific features with labels: "WALL HUNG FURNITURE, SEE FURNITURE DRAWINGS", "TV BOX. DIMENSIONS MAY VARY IN ORDER TO CONCEAL POWER AND DATA BEHIND TV. COORDINATE WITH TV BRACKET.", "TV BRACKET, SEE TECHNOLOGY DRAWINGS", "WALL PROTECTION, SEE PROTECTION PLANS", and "BASE AS NOTED".

This architectural drawing shows a cross-section of a typical exam room. The room has a height of 10' - 8" and a width of 5' - 1". A large window occupies the right side of the wall, with a height of 1' - 8" and a width of 3' - 5". The window frame is labeled 'CLOCK'. The wall above the window is labeled 'ACCENT PAINT AS NOTED'. The wall below the window is labeled 'FRY REGLET WALL COV TERMINATION TRIM'. The base of the wall is labeled 'SG-4'. The headwall is labeled 'HEADWALL; SEE VENDO DRAWINGS. GC TO COORDINATE WITH ALL APPLICABLE TRADES; T'. The floor is labeled 'BASE AS NOTED'. A shaded area on the left side of the room is labeled 'ALIGN'. The drawing also includes various electrical and plumbing fixtures.
